Design and Analysis of Algorithms, Fall 2017

- There will be three midterm exams and one final exam. Each midterm exam is worth 20% and the final worth 40% of your overall grade for the course.
- There will be problem sets released every week. They are for your benefit and will not be graded.
- The TA's will have office hours every Monday and Wednesday right after the class in CSA 117. Please feel free to ask about topics covered in the class and about the problem set questions.
- Plagiarism on the exams will be strictly dealt with.
- The exam dates will be announced later.
